

Thinking of
you with
warmth and
care this
Christmas.

Happy Holidays from METRO Charity!

This year, your loved one has chosen to Give the Gift of Community, with a donation to METRO Charity. The money donated will help protect our safe spaces, which directly support folks through life-changing services, including queer and trans youth, disabled people, people living with HIV, and people experiencing mental health issues and conditions.

We hope this gift fills your heart with warmth and love, knowing it is making a huge difference to local communities.

We hope you have a peaceful, joy-filled festive season.

With love, solidarity and immense gratitude,
METRO Charity
