METRO CENTRE LIMITED
TRUSTEE DIRECTORS' REPORT
YEAR ENDED 31ST MARCH 2021

The Trustees, who are also Directors of the charity for the purposes of the Companies Act, submit their annual report and the audited financial statements for the year ended 31 March 2021. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in 2019 and the Financial Reporting Standard for Smaller Entities (effective January 2015) in preparing the annual report and financial statements of the charity.

STRUCTURE, GOVERNANCE AND MANAGEMENT
Governing Document

The Metro Centre Ltd (METRO Charity) is a company limited by guarantee governed by its Memorandum and Articles of Association as revised 12/05/08. It is registered as a charity with the Charity Commission. Full membership is open to all individuals whom the Board decides to admit to membership, but at all times at least 60% of the full membership shall comprise people who identify as lesbian, gay, bisexual or transgender. There are currently 107 Members. At least 60% of the full membership comprise of people who identify as lesbian, gay, bisexual or transgender. There is a provision for Associate Membership, without voting rights, which may be held by community partners. There are currently 463 Associate Members.

Appointment of Trustees

As set out in the Articles of Association, all Trustees must retire and, if they wish, stand for reelection at the Annual General Meeting. Elections follow due process including written nominations signed by a nominator and seconder submitted in advance of the AGM with an election statement circulated to the membership who votes by confidential ballot with the provision of proxy voting for members unable to attend the AGM.

The Board may co-opt up to two new members in any year, provided that this does not result in its maximum permitted number of members (twelve) being exceeded. Officers are usually appointed annually at the full first Board meeting after the AGM. The AGM for 2020 was deferred from its usual April date to November due to the coronavirus pandemic. The AGM for 2021 was held in April, bringing us back into our usual annual cycle.

We continue to strive to maximise the diversity of our Board of Trustees and Management Committees.

Trustee Induction and Training

A transparent, holistic, and robust system is in operation for Trustee recruitment, which initially follows procedures and policy set for all volunteer recruitment. Reflecting best practice, both Senior Management and existing Board members are actively involved as recruitment moves through standardised stages beginning with informal provision of information about the role and organisational expectations to more formal procedures involving application, references and interview. If all stages are satisfactorily achieved, and the recruitment panel approves, a probationary period is undertaken with probationers participating in a comprehensive programme of induction guided by an experienced Mentor assigned to each individual. Cornerstones of the probationary process include regular Mentor/Mentee meetings using a peer-created induction checklist focusing on the attainment of a holistic understanding of the organisation's history and operations, ability to contribute at a governance level, financial oversight, ability to contribute to strategic organisational development and adherence to the 7 Principles of Public Life, as well as METRO's vision, ethos and equality and confidentiality policies.

METRO CENTRE LIMITED

TRUSTEE DIRECTORS' REPORT

YEAR ENDED 31ST MARCH 2021

We have a system in place that requires Trustees to declare any interests that might conflict with their role.

An annual Trustee Skills Audit and feedback from the work plans of the Finance and HR/Policy Sub Committees of the Board shapes the annual programme of training and team-building undertaken by all Board members along with METRO's Senior Management Team. Trustees also contribute their skills and knowledge to the staff team in the form of training sessions.

Last year the Board of Trustees introduced an Annual Effectiveness Review as a mechanism for ongoing improvement to the charity's governance.

Organisation

The members of the Board of Trustees also act as the Company Directors of the METRO Centre Ltd. A maximum of twelve members administer the charity meeting bi-monthly, with subcommittees meeting quarterly. There are currently two subcommittees, one for Finance which is convened by the Treasurer and the other for Human Resources and Policy which is convened by another Trustee. Each has agreed Terms of Reference which allow essential work to progress, with recommendations regarding key decisions brought to full Board meetings. Additionally, there are three management committees which report to the full Board: METRO GAD, METRO VAL and METRO GAVS. Ad hoc working parties are created by the Board from time to time, working with the SMT on specific time-limited projects. The Trustees have appointed the Chief Executive Officer to carry out the operational matters of the charity with delegated authority and overall responsibility for employment and staffing, financial management, income generation, contract negotiation and compliance, organisational development, service delivery, research, monitoring and evaluation.

Last year saw the introduction of the Remuneration Subcommittee, which allows for the transparent, fair and competitive setting of salaries for posts at head grade and above.

Volunteers

METRO gratefully acknowledges the role played by the many volunteers who give their time, skills and energy to the organisation, fulfilling a variety of roles from outreach and design work through counselling and mentoring, to fundraising and event organising. There are currently 99 active volunteers participating in the charity's activities, making a unique contribution to their communities.

Risk Assessment

METRO undertakes comprehensive contingency planning which complements an integrated risk assessment strategy. Together these practices ensure rapid and systematic responses to risks as they arise in order to mitigate and minimise any potential impact. Specific practices include:

- Regular departmental risk assessment exercises with impact assessments created for all new projects and significant organisational changes;
- Departmental Risk Registers which feed into the Central Risk Register maintained by the CEO and analysed bi-monthly at full Board of Trustees meetings, which also include periodic risk registers including currently a Coronavirus Risk Register;
- Adoption of a quality assessment scheme to continually improve systems and practices in all areas of operation;
- Adherence to comprehensive Information Governance policies and GDPR legislation;
- Project management training for staff in management roles;
- A comprehensive Raising Concerns at Work Policy, outlining how team members should proceed if they believe something isn't right
- Strengthened financial management software, protocols and procedures; and
- Careful management of reserves.

OBJECTIVES AND ACTIVITIES

The charitable company is established for the promotion of any charitable purpose for the benefit of any members of the community experiencing issues related to sexuality, identity, gender, equality and diversity, including by focusing on:

- i) Challenging homophobia and heterosexism and acknowledging that they have a significant impact on lesbian, gay and bisexual people and those questioning their sexuality;

METRO CENTRE LIMITED
TRUSTEE DIRECTORS' REPORT
YEAR ENDED 31ST MARCH 2021

- ii) Working in the field of sexual health promotion, HIV prevention and HIV support;
- iii) Providing services which promote health and well-being and to empower individuals, including the provision of support, advice, information, advocacy, resources, counselling, group work, outreach services, community development, capacity-building, campaigning, leadership advice, research, clinical services, consultancy, training and education.

VISION

METRO's vision is for a world where diversity is celebrated, difference respected and valued, and where optimum health and wellbeing for all is a collective goal.

MISSION

Working collaboratively with our staff, volunteers, users, partners and supporters to make a difference to people's lives, we champion equality, nurture aspiration, embrace difference and challenge others to do so. We promote health and wellbeing through our transformative services to anyone experiencing issues relating to sexuality, gender, equality, diversity and identity, and use our unique insight from these transformative services and our diverse heritage to influence decision makers and to effect positive change.

VALUES

Innovation – We strive to deliver cutting edge, creative and entrepreneurial solutions to the individual, cultural, economic, historical and social problems we identify.

Insight – Our services and our change agenda are informed by our understanding of the power of human connection and relationships and our unique relationship with the people and communities we work with and for.

Integrity – We believe in the transformative power of inclusive services, products and experiences that are accessible to all.

Investment – We support the aspirations of all of our members and users, and embrace these aspirations to ensure the sustainability of the charity through entrepreneurialism and social return on investment.

PUBLIC BENEFIT

The Board of Trustees is aware of the Charity Commission requirement to report on the work of the organisation regarding how it delivers public benefit. The Trustees believe that much of this is demonstrated in this year's Annual Report. METRO's objectives are aligned with those of national and local strategies for sexual and reproductive health, community, mental health, youth and HIV, specifically in relation to sexuality, gender, equality, diversity and identity. These external strategies are reflected in the organisation's Strategic Plan for 2018 – 2023, aligned with our refined Vision, Mission and Values. This Annual Report demonstrates progress towards achieving these objectives and illustrates our plans and strategies to do more.

ACTIVITIES

METRO's activities are focused on the health and wellbeing, empowerment, independence and inclusion of people experiencing issues related to sexuality, gender, equality, diversity and identity, and community organisations supporting these people. Our activities benefit the community as we support people of all ages to manage their responsibilities, realise their aspirations, make positive choices and achieve their optimum health. We deliver services across a broad range of health determinants, including, sexual and reproductive health, community in regard to hate crime, domestic violence and advocacy, mental health, youth services and HIV insight, prevention and support.

METRO encourages and supports individuals to develop skills in order to meet their own needs and therefore engage and make a contribution to their community and society through participation. From March 2019, in doing our part to prevent the spread of COVID-19, we transitioned virtually all of our services to delivery over the phone and online. In May 2020 we undertook survey to check how this transition had impacted our service users, this showed that people continued to be very happy with our provision and valued it great, but that the majority of service users wanted a return to in-person delivery as soon as possible.

Key developments in line with our new Strategic Plan 2018-23, and Domain Working Group driven Balanced Score Cards and Business Plans include:

The continuation and expansion of our innovative service offering:

• Sexual and Reproductive Health

- We continue to provide truly holistic, innovative and responsive sexual and reproductive health services optimised for the different communities we serve. Providing community screening and testing, outreach, condom distribution and contraceptive services that integrate behavioural interventions.
- We continue to build relationships with larger mainstream providers to offer specialist sub-contracted programmes, and continue to cementing our expansion into west and south west London.
- We continue to deliver our Get it condom offer in Kent and Medway and have expanded this online offer into Wandsworth, Richmond and Merton.
- We continue to deliver our Pitstop PLUS sexual health one-stop-shop for gay, bisexual and trans men in Greenwich, Bexley and Medway.
- continue to deliver In partnership with Charlton Athletic Community Trust and Oxleas we continue to deliver support for young people and parents in the Royal Borough of Greenwich through the Young Greenwich Programme.
- Our European funded SHIFT project undertook surveys and focus groups to understand needs and barriers for people aged over 45 in accessing sexual health services – publishing key findings in February.
- We have undertaken a number of live panel discussions exploring various sexual health topics, including LBT women's health.

• Community

-We continue to reflect our commitment to community participation, involvement and engagement, by ensuring that the work of this domain is embedded across the charity's work to harness the power of community organising, and community voice. This is combined with person-centred support, advocacy and peer-led services, including hate crime, food equalities, prostate cancer support and services for older LGBTQ+ people and disabled people.-In September we launched our UK-wide

LGBTQ+ COVID-19 Recovery Fund grants programme, in partnership with NAZ, Equality Network, The Rainbow Project, UmbrellaCymru, Yorkshire MESMAC and Birmingham LGBT, funded by Comic Relief.

-We also cascaded emergency COVID-19 funding to the voluntary and community sector in the Royal Borough of Greenwich, funded by the Greenwich Charitable Trust and the Royal Borough of Greenwich.

-We continue to develop our support and voice service for disabled people, METRO GAD.

-We continue to lead the Connecting Communities Alliance in partnership with Volunteer Centre Greenwich, Bromley Lewisham and Greenwich Mind, Greenwich MENCAP and Age UK Bromley and Greenwich.

-We completed our merger with Voluntary Action Lewisham on 1st April 2020, and have supported their new Management Committee in reflecting on how to engage the local community in making use of the Mulberry Centre that we now run on behalf of the London Borough of Lewisham.

-We launched our LGBTQ+ hate crime support service in Croydon.

• Mental Health

-We continue to provide holistic mental health and wellbeing services. Combining treatment for psychological and emotional distress, both clinical and non-clinical, with interventions aimed at identifying and mitigating the cause of distress, as well as supporting individuals and communities to maintain and enhance their mental health and wellbeing. Providing counselling, peer support, group work, advocacy and crisis work.

-Our service expansion to support LGBTQ+ young people from aged 8 continues to be a great success.

-We continue to develop plans for a more commercial offering of our mental health services.

• Youth

-We continue to empower and educate young people to reduce the escalation of current and future need as they become adults. Acknowledging that young people face barriers and challenges which need to be overcome before they are able to access provision. Providing training to providers, running a suite of LGBTQ+ youth groups, groups for young people affected by HIV and one-to-one work with boys and young men.

-Our Trans Youth Support service continues to be very well utilised. With continued increased demand due to COVID-19 - as social distancing measures have a large impact on young people's ability to engage in peer support and access community spaces, and with GICs suspending services. We have been able to increase capacity thanks to funding from Comic Relief.

-In July we held our first-ever METRO Youth Virtual Pride.

-The Our House – Shout Out Loud inclusive theatre project at Eltham Palace, delivered in partnership with National Youth Theatre and English Heritage won Best Event, Festival or Exhibition at the National Heritage Awards in September.

• HIV

-We continue to work across HIV prevention and support, including testing, one-to-one and group behavioural change interventions, information campaigns, training, outreach and condom distribution, advocating for PrEP, as well as holistic support for people living with HIV, including advice and advocacy. We continue to aim for an integrated flow between testing and prevention and/or support, ensuring the moment of a positive or negative diagnosis is not the end of the journey.

-Our brand new HIV Testing Bus went out on the road in December, purchased through our GMI Partnership with Spectra and Positive East.

METRO CENTRE LIMITED
TRUSTEE DIRECTORS' REPORT
YEAR ENDED 31ST MARCH 2021

-We delivered against our Fast Track Cities London funding for three METRO-led projects - working with King's College Hospital Foundation Trust to support positive young parents to stay in treatment; through GMI Partnership in partnership with Doctors of the World, Haringey Migrant Support Centre, and Voice of Domestic Workers, run a HIV testing bus; developing a mentoring scheme with King's College Hospital and Guy's and St Thomas's NHS Trusts.

-We launched our Let's Talk About Sex HIV prevention campaign in Polish, Portuguese and Spanish.

Continued development and analysis of our insight and using this knowledge to influence:

-
- Our Research Working Group has continued to grow and bring focus to the charity's consumption and production of research.
- We are developing plans for our first Service User Forum, bringing the voice of service users to the heart of our evaluation and innovation processes.
- Continuing to run Board, management and full team away days to gather and share insight across the charity.
- Continuing to engage with a number of national and regional organisations and networks to share and gain insight, including the National LGB&T Partnership, the Sex Education Forum, National HIV Providers Forum, LGBT Youth Network, National LGBT Hate Crime Partnership, and the London LGBT Partnership.
- Domain Working Groups (DWGs) gathering insight and driving service innovation.
- Continued growth in our social audiences.
- Continued strong internal communications through NEWSROUND, CEO's Monday Update and the more recently added weekly Coronavirus Update, now more focused on bringing the team together and renamed METRO Bubble.

Continued commitment to strengthening and celebrating our integrity:

- Annual team engagement and diversity surveys, with engagement survey successfully moved to six-monthly
- Delivery of Board, management and full team away days to ensure feedback from the team and coordination of development.
- Delivering against our Learning and Development Strategy with cross-organisational training and development.
- Investors in People Accreditation continues to be held, with plans for re-accreditation underway
- Healthy Workplace Accreditation, Achievement level continues to be held.

FINANCIAL REVIEW

Incoming resources increased from £4,675,784 to £5,499,845 in 2021 and resources expended changed from £4,652,380 to £5,448,357, resulting in a surplus for the year of £51,488 (2020 - surplus £23,404)

The charity has had a strong year, with several successes in securing funding for the continuation of existing services and the creation of new ones. However, we have entered a period of unforeseen and rapid change in response to the coronavirus pandemic. The Trustees and our Senior Management Team acted swiftly and decisively to ensure the safety of our service users, volunteers and staff.

This meant that in March we switched all face-to-face services to online and phone support, and closed our spaces. Throughout this process, we have been mindful of how some of our most vulnerable service users might be disproportionately impacted. We have identified a number of funding opportunities to help us address these issues, specifically around digital exclusion.

We continue to have open dialogues with all of our commissioners and funders to keep them informed of changes to our delivery during these unprecedented times. As of the end of the financial year, there are no major risks to the charity's income due to the pandemic. Our Trustees and Senior Management Team will continue to monitor this situation closely and implement government and health expert advice.

In the longer term, we remain committed to undertaking a review of our strategic objectives, specifically around entrepreneurialism and the associated income generation in light of a considerably different operating environment.

Trustees will continue to ensure that any future expenditure has defined benefits and management's performance will be measured against the delivery of such benefits. In the forthcoming financial periods Trustees are committed to building the charity's reserve levels.

Over the past seven years, the Trustees have worked closely with the Senior Management Team (SMT) to improve the charity's reserves position. Trustees have been acutely aware of the impact of austerity on the voluntary sector, and particularly on the LGBTQ+ sector, with many voluntary organisations struggling with cash flow, PBR considerations and the movement by local authorities to payment in arrears.

We are pleased to advise that we continue to maintain reserves of over 90 days running costs, in line with Charity Commission recommendation. While Trustees are pleased to maintain this minimum, we remain focused on continuing to improve our reserves position.

Reserves Policy

METRO currently has total reserves of £1,268,259 of which £1,229,952 is held in the General Fund.

In the forthcoming financial period, Trustees plan to maintain and build on the charity's reserve levels of between three months and six months of operating expenditure. However, they are also committed to the purchase of freehold premises in Lambeth..

Investment Powers and Policy

The Trustees do not currently involve the organisation in investments with the exception of bank interest generated from cash on deposit.

TRUSTEE DIRECTORS' REPORT

YEAR ENDED 31ST MARCH 2021

TRUSTEES RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The trustees (who are also directors of Metro Centre for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

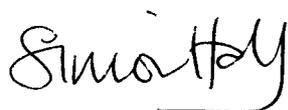

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information

BY ORDER OF THE TRUSTEES

Simon Hall

Date: 12/12/2021

**INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF
METRO CENTRE LIMITED
YEAR ENDED 31ST MARCH 2021**

Opinion

We have audited the financial statements of Metro Centre (the 'charitable company') for the year ended 31 March 2021 which comprise the Statement of Financial Activities, Balance Sheet, Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF
METRO CENTRE LIMITED
YEAR ENDED 31ST MARCH 2021**

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- the charitable company has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

The trustees are satisfied that the company was entitled to exemption from audit under section 477 of the Companies Act 2006 and that members have not required an audit in accordance with section 476. However, an audit is required in accordance with the Charities Act 2011.

The trustees acknowledge their responsibilities for:

- i) ensuring that the company keeps accounting records which comply with section 476; and
- ii) for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

NOTES TO THE ACCOUNTS

YEAR ENDED 31ST MARCH 2021

1) ACCOUNTING POLICIES

The charity is a company limited by guarantee and registered in England with Companies House and the Charity Commission. Its registered numbers and principal address can be found on page 1 of these accounts

The principal accounting policies adopted in the preparation of the financial statements are set out below, and have been consistently applied within the accounts.

a) Basis of accounting

The financial statements have been prepared in accordance with the Financial Reporting Standard 102 (FRS 102), the Statement of Recommended Practice (SORP), "Accounting and Reporting by Charities" and applicable charity and company law. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

b) Incoming Resources/ Income

Incoming resources are recognised on an accruals basis, except that donations and legacies are recognised only upon receipt unless the donor advises otherwise. Grants are treated as income for the period to which the grantor assigns the grant and deferred as necessary. Service contracts or grants where the grantor stipulates performance targets and does not specify that a surplus is retrievable, are regarded as unrestricted once the performance targets are achieved.

c) Resources Expended/ Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

d) Fixed Assets & Depreciation

Fixed assets are capitalised at cost and depreciation is provided to write off the cost of the assets over their useful economic lives. Office equipment, furniture & fittings is written off at a rate of 20% per annum on a reducing balance basis unless a grant provider allocates specific funds for capital expenditure to be written off over a shorter period. Small capital items and replacements are written off as incurred. Vehicles are written off at a rate of 25% on a straight line basis. Leasehold improvements are written off over the lifetime of the lease. The estimated residual value is nil.

e) Stocks of materials & literature

Stocks of safe sex materials and literature are written off as incurred.

f) Volunteers

The value of services provided by volunteers is not included within these financial statements.

g) Going concern basis

The accounts have been prepared on a going concern basis.

h) Fund Accounting

Unrestricted funds are available for the use in the furtherance of the charity's objectives. Restricted funds are subject to restrictions imposed by donors as set out in the notes to the accounts.

i) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

j) Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

k) Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transition value and subsequently measured at their settlement value.
